

This soil survey was compiled by the U.S. Department of Agriculture, Natural Resources Conservation Service and cooperating agencies. It is based on orthophotographs prepared by the Natural Resource Conservation Service from 1990-1992 aerial photography. Hydrography and cultural features were acquired from USGS and NRCS and edited to enhance the clarity of the soils information.

North American Datum of 1983 (NAD83), GRS80 Spheroid
1000-meter ticks: Universal Transverse Mercator, zone 18.
Coordinate grid ticks and land division data, if shown,
are approximately positioned. Digital data are available
for this quadrangle.
