COASTAL AREA
GROTON, CONNECTICUT

LEGEND

Coastal Area

EXPLANATION

The Coastal Area includes the land and water that by
appropriate or conducted within the Coastal Area, and
Criteria contained in the Connecticut Coastal
Regulated or conducted by coastal municipalities must
be consistent with the Coastal Management Act.

DATA SOURCES

COASTAL AREA DATA: The Town Boundary
maps were created from digitized contour maps. Features appearing in
the coastal town maps were selected and merged into one coastal
area map. The Town Boundary maps were used as the basis for
extracting specified features appearing in the source map.

COASTAL MANAGEMENT ACT: The Coastal Management Act of
Connecticut was enacted in 1993.

BASE MAP DATA: Based on data originally from
Lambert Conformal Conic Projection
North American Datum of 1983

SOURCES AND METHODS: (See the 3D GIS
scales and units on the scale bar. The legend is legend data shown
in this map.
