EXPLANATION
This map depicts general locations of rare and federally listed species and related habitat areas within the Town of Andover. It is based on the Natural Diversity Data Base Areas for the state of Connecticut. For more information about the data used in this map, please contact the Connecticut Department of Energy & Environmental Protection. The map is intended for general information purposes only and should not be used for navigation. The use of this map is at the user's own risk.

DATA SOURCES
- NEDIS - Locations of state and federal listed species and related habitat areas are derived from the Natural Diversity Information System (NEDIS). Points, lines, and areas from NEDIS are shown in gray, red, or purple.
- CT DEEP - Points, lines, and areas from the Connecticut Department of Energy & Environmental Protection (CT DEEP) are shown in green or brown.

Date of Map: June 2022
