This map displays natural areas and related features as reported by State agencies, local government, and private organizations. Data were collected and documented by the Connecticut Department of Energy & Environmental Protection (DEEP), Burerau of Natural Resources, Wildlife Division. For more information about State Listed Species, contact DEEP, Burerau of Natural Resources, Wildlife Division. The user is hereby notified that useful layers in the map may be hidden or unmarked. More detailed information is available online at the CT DEEP website (https://www.ct.gov/deep/homepage). Use the CT DEEP website to view and print a full-color map of this data set. For more information about State Listed Species, contact DEEP, Burerau of Natural Resources, Wildlife Division.
