species and critical habitats are based on data collected by DEP, Bureau of Natural Resources, Wildlife Division. For more information complete a request for impacts on state listed species and the need for a critical habitat statement. To locate NDDB areas use the Connecticut Natural Diversity Database online at http://www.ct.gov/dep. For additional information and instructions, please visit DEP’s Natural Diversity Data Base (NDDB) website at http://www.ct.gov/dep.
