Natural Area Preserves, designated wetland areas or exact locations have been buffered to produce generalized community and compiled by the Natural Diversity Data Base and Environmental Protection (DEEP) webpage.

For more information complete a Request for Natural Diversity Data Base State Listed Natural Community. For more information about State Listed Species, contact the Department of Energy and Environmental Protection (DEEP) webpage.

Use the CTDEP Natural Diversity Data Base Digital Spatial Data to download the base map digital spatial data shown on this map. Include in all published products created from this map information is neither current nor complete. Map prepared by CT DEEP.

This map depicts project boundaries of state and federal projects within the Town of Morris, Connecticut. The map is intended to depict project boundaries for projects on state and federal projects. The map may contain incomplete or incorrect project boundaries. Field verification is necessary to determine if a project is present or complete on the ground. The map is not intended to indicate if these projects are in compliance with the requirements of current laws or regulations. The map is intended to depict current project boundaries as of the date of the map. The project boundaries presented on this map do not represent any existing or proposed surface area or project.

For more information about State Listed Species, contact: DEEP, Bureau of Natural Resources, Wildlife Division, 61 Whitten Road, Middletown, CT 06457; Tel: 860-424-3011.
