NATURAL DIVERSITY DATA BASE AREAS
OLD LYME, CT

LEGEND
- State and Federal Listed Species
- Critical Habitat
- State Boundary
- County Boundary
- Town Boundary
- interstate
- US Route
- State Route
- Ramp
- Street
- Ferry
- Railroad
- Watercourse
- Intermittent Watercourse
- Stream
- Drainage Ditch
- Dam
- Designed Channel
- Aqueduct
- Water
- Intermittent Water
- Parks
- Rocks
- Flooded Area
- Marsh
- Cranberry Bog
- Salt Marsh
- Dam
- Fish Hatchery
- Aquaculture
- Sewage Pond
- Water Tank

EXPLANATION
This map displays ground locations of rare and special habitat areas and State Listed Species. It is intended to serve as a visualization tool for the location of rare and special habitat areas and the need for a State Listed Species, Fish and Wildlife conservation. The map information is neither current nor complete. It includes maps published between 1969 and 1992. It includes 1:24,000-scale USGS 7.5 minute topographic quadrangle maps. More detailed instructions are available on the DEEP website (www.cteco.uconn.edu) for this map and a variety of maps published between 1969 and 1992. It includes maps issued by the DEEP, Burerau of Natural Resources, Wildlife Division. For more information about State Listed Species, contact DEEP, Burerau of Natural Resources, Wildlife Division.

DATA SOURCES
This project is part of the State Listed Species, Fish and Wildlife conservation. The map shows the location of rare and special habitat areas and the need for a State Listed Species. It includes maps published between 1969 and 1992. It includes 1:24,000-scale USGS 7.5 minute topographic quadrangle maps. More detailed instructions are available on the DEEP website (www.cteco.uconn.edu) for this map and a variety of maps published between 1969 and 1992. It includes maps issued by the DEEP, Burerau of Natural Resources, Wildlife Division. For more information about State Listed Species, contact DEEP, Burerau of Natural Resources, Wildlife Division.

WARNING: This map is intended to provide a visual representation of the locations of rare and special habitat areas and State Listed Species. It is not intended to be used for navigation or legal purposes. The accuracy of the map data is dependent on the data sources used and the map is subject to error, misrepresentation, or omissions. Use of this map is at your own risk. The map is not a substitute for professional advice or services. For detailed information about State Listed Species, contact DEEP, Burerau of Natural Resources, Wildlife Division.

Use the CTHI Information Map Towers or on the DEEP website for detailed information about the site and to view DEEP area natural heritage areas. See the DEEP website (www.cteco.uconn.edu) for detailed information about the location of rare and special habitat areas and State Listed Species. For more information about State Listed Species, contact DEEP, Burerau of Natural Resources, Wildlife Division.

For data as of 2011

DEEP MAP DATA - Based on data originally from the DEEP, Burerau of Natural Resources, Wildlife Division. The data sets were compiled from various sources, including but not limited to, U.S. Geological Survey, U.S. Fish and Wildlife Service, Connecticut Department of Transportation, and private property owners. The data sets were subject to error, misrepresentation, or omissions. Use of this map is at your own risk. For detailed information about State Listed Species, contact DEEP, Burerau of Natural Resources, Wildlife Division.

SHAPES AND BIRTHDAY DATA - View the CT ECO website (www.cteco.uconn.edu) for detailed information about State Listed Species. The map is not a substitute for professional advice or services. For more information about State Listed Species, contact DEEP, Burerau of Natural Resources, Wildlife Division.
