- Marsh
- Drainage Basin
- Drainage Ditch
- Dam
- Floodway
- Aqueduct
- Sewage Pond
- Water Tank

EXPLANATION
This map depicts general location of state and federal listed species and key natural features to assist users to identify potential natural diversity areas of interest. The map is neither complete nor current and the location of the boundaries is approximate. The map is not intended for search or navigation or completion of permits. The boundaries are based on known data. No liability is assumed, for the accuracy or completeness of the data. The boundaries have been derived from public-generated databases. The data has not been independently verified. The user assumes full responsibility for the use of the map and accepts all risks associated with its use.
